

5th June 2018
New Delhi

NOTICE

Sub: Dissemination of information about the product and services

The enlistment of the Vendors in the National Data Base of CIDC is done after a very rigorous process and the products & services provided by them are well proven in their efficacy and quality.

It is proposed to organize a series of half to One day interactive sessions (Workshops) at leading Institution , where the students of engineering program and their faculty members are given an inside view and deep understanding about the products and services being provided by the members of the National Data Base.

It is noteworthy to mention that, whereas the desirous organizations, would have an opportunity to meet the future procurement professionals (The students), the participants would improve the level of their practical education.

As a founding member of the Engineering Council of India, CIDC keeps holding and also facilitates conduct of such interactive sessions,(Workshops) which are both educative and informative benefiting both the provider and the recipient. Expression of interest in enclosed format are invited from the desirous members of National Data Base latest by 30th June 2018 for onward action at our end.
